RE: FY 2016 RTP Pre-Application
Old Selma Road Park

Dear Mr. Byard:

The Montgomery County Commission is pleased to have the opportunity to submit one original and one digital copy of our pre-application for a Recreational Trails Program grant under ADECA's FY 2016 RTP funding cycle. Please know that the Montgomery County Commission remains dedicated to providing all of our citizens with appropriate recreational opportunities.

The County is seeking \$100,000 in grant funds to undertake construction of the proposed non-motorized diverse use trail which is intended to primarily support walking and bicycling. You will note in the application that the County has tremendous plans for this park which will include, but not be limited to, construction of gazebos and a lodge for additional resident use.

Again, on behalf of the Montgomery County Commission, your favorable consideration of this request will be greatly appreciated. Should your staff require additional assistance during the review of this application, please do not hesitate to call.

Sincerely,

A handwritten signature in blue ink that reads "Elton N. Dean, Sr." in a cursive style.

Elton N. Dean, Sr.
Chairman
