for CDBG, HOME, ESG, HOPWA, and HTF Programs**

On behalf of the State of Alabama, the Alabama Department of Economic and Community Affairs (ADECA) and AIDSAlabama have prepared the PY2018 One-Year Annual Action Plans for the Community Development Block Grant Program (CDBG), the Emergency Solutions Grants Program (ESG), and the Housing Opportunities for Persons with AIDS Program (HOPWA). The Alabama Housing Finance Authority (AHFA) has prepared the PY2018 One-Year Annual Action Plans for the Home Investment Partnerships Program (HOME), and the Housing Trust Fund Program (HTF). Collectively, these Plans summarize housing and community development needs in the State and a strategy to meet those needs using federal funding from the U. S. Department of Housing and Urban Development (HUD). Specifically, these Plans describe how eligible entities can access funding through these programs to address those needs. The State of Alabama will hold a public hearing to discuss the proposed PY2018 One-Year Annual Action Plans for the five programs. The hearing will be held on the date, time, and location as shown below:

The following housing-related priorities are established for the five programs: For the CDBG Program, the housing-related priority is single family, owner-occupied rehabilitation. For the ESG Program, the housing-related priority is to provide rental assistance to prevent homelessness and re-house homeless persons. For the HOPWA Program, the housing-related priorities are rental assistance, operations of housing, and supportive services to keep persons with HIV/AIDS stably housed and in healthcare. For the HOME Program, the housing-related priority is new construction of affordable rental units across the State. And for the HTF Program, the housing-related priority is to increase and preserve the supply of decent, safe, and sanitary affordable housing for extremely low-income and very low-income families. For non-housing-related needs, the priorities consist of essential community facilities and the promotion of economic development programs.
