GOVERNOR'S WORKFORCE DEVELOPMENT DIRECTIVE NO. PY2006-12

SUBJECT: Local Area Program Year 2006 WIA Annual Report

1. **Purpose.** To provide local areas with preparation guidance for the Program Year 2006 Annual Report.
2. **Discussion.** Workforce Investment Act (WIA) Sections 136(d)(1) and 185(d) require each State to submit an Annual Report covering Statewide WIA operations to the Secretary of Labor. In order to assist the State of Alabama in the comprehensive preparation and timely submission of the State-level Annual Report, each local area is required to submit a corresponding local area-level annual report to the State.

USDOL/ETA Program Year 2006 reporting instructions indicate State Reports for Program Year 2006 are due at USDOL October 1, 2007. In order to accommodate this requirement, and allow time for review of local area annual reports, LWIA annual reports must be submitted to the State by August 24, 2007.

General guidance regarding local area Program Year 2006 annual report content is provided below.

3. **Action.** Each Alabama LWIA shall submit to the Office of Workforce Development, Attention: Ray Clenney, an annual report of WIA Adult, Dislocated Worker, and Youth program activities conducted during Program Year (PY) 2006, July 1, 2006 through June 30, 2007. Each such report shall include:
 - a. Local area Workforce Investment Board membership, as of June 30, 2007.
 - b. A description of significant Program Year 2006 Local Workforce Investment Board achievements, especially as related to heightened levels of Career Center System partner agency involvement and overall Career Center System coordination.
