RE: FY2020 ESG Application Process

A handwritten signature in blue ink, reading "Kenneth W. Boswell".

The Alabama Department of Economic and Community Affairs (ADECA) will not conduct an in-person application workshop for FY2020 Emergency Solutions Grants (ESG) Program funds due to public safety concerns regarding COVID-19. ESG funds are used to upgrade existing homeless facilities and domestic abuse shelters; to help meet the operating costs of such facilities; to provide essential services to homeless persons and those at-risk of homelessness; to help prevent homelessness; and to help re-house homeless persons.

Information regarding the application process will be available online. You may access ADECA's ESG webpage by visiting the link below.
