Dear Ms. Neighbors,

Conexus Communications, Inc. ("Conexus"), together with its financial partner, ITC Holding Company, LLC ("ITC") intends to submit an application for funding from the Alabama Capital Projects Fund grant program. Attached to this letter of intent, as Attachment A, is a shape file that represents our proposed funded service area. Census blocks awarded and fully-authorized to other entities by the Federal Communications Commission ("FCC") via the Rural Digital Opportunity Fund ("RDOF") auction may fall within the boundaries of the submitted polygons, however Conexus/ITC is not requesting funding for any of these rooftop addresses from the Alabama Capital Projects Fund. Conexus and ITC both consent to ADECA posting this letter and its attachments to ADECA's public website.

For additional questions or inquiries about this letter of intent and our proposed service areas, please contact Butch Brock, Executive Vice President of Strategy and Government Affairs at bbrock@itchold.com or (334) 444-3000.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Carroll".
