Dear Ms. Neighbors,

Spectrum Southeast, LLC, by its Manager, Charter Communications Inc. ("Charter") intends to submit an application for funding from the Alabama Broadband Accessibility Fund grant program. Attached to this letter of intent, as Attachment A, is a .kmz file that represents our proposed funded service area. Census blocks awarded to Charter by the Federal Communications Commission ("FCC") via the Rural Digital Opportunity Fund ("RDOF") auction may fall within the boundaries of the submitted polygons, however Charter is not requesting funding for any of these rooftop addresses from the Alabama Broadband Accessibility Fund. We have reviewed the ADECA 2022 Grant Application and Guide document and other related Accessibility Fund grant program documents and have complied with all relevant requirements. Charter consents to ADECA posting this letter and its attachments to ADECA's public website.

For additional questions or inquiries about this letter of intent and our proposed service areas, please contact Taylor Vice, Director of Government Affairs at taylor.vice@charter.com or 334.440.4477.

Sincerely,

A handwritten signature in blue ink, appearing to read "Taylor Vice", written in a cursive style.
