Re: Letter of Intent, Marble Valley

Dear Ms. Neighbors,

Sylacauga Utilities intends to apply for funding from the Alabama Broadband Accessibility Fund grant program. Attached to this letter of intent, as Attachment A, is a shapefile that represents our proposed funded service area. We have reviewed the ADECA 2022 Grant Application and Guide document and other related Accessibility Fund grant program documents and have complied with all relevant requirements. Sylacauga Utilities consents to ADECA posting this letter and its attachments to ADECA's public website.

For additional questions or inquiries about this letter of intent and our proposed service areas, please contact Reay Culp, IT/Network Administrator, at rculp@sylacauga.net, or 256-401-2557.

Sincerely,

A handwritten signature in black ink, appearing to read "Mitch Miller", is written over a faint, larger version of the same signature.
