MEMORANDUM

TO: All Interested Parties

FROM: Kathleen A. Rasmussen, Ph.D.
Division Chief, Community and Economic Development Division

SUBJECT: REMINDER: Deadline to Submit PY2026 ESG Grant Applications to ADECA CED Division is Wednesday, July 1, 2026 at 12:00 Noon

This is a reminder that if your government or non-profit agency is planning to submit to the Alabama Department of Economic and Community Affairs (ADECA) Community and Economic Development Division (CED Division) a grant application for the federal PY2026 Emergency Solutions Grant (ESG) Program funds, ADECA's grant application submission deadline is Wednesday, July 1, 2026 at 12:00 Noon. All PY2026 ESG Program grant applicants must submit one original signed paper version of the grant application to the ADECA CED Division located at Room 524 on the 5th Floor of the Alabama Center for Commerce Building at 401 Adams Avenue, Montgomery, Alabama 36104, and must submit one digital / electronic version of the signed grant application to Dave Veatch, the CED Division's ESG Program Supervisor, by emailing it to Dave.veatch@adeca.alabama.gov. Both the paper and digital / electronic versions of the grant application must be received by ADECA's CED Division by the submission deadline of 12:00 Noon on Wednesday, July 1, 2026. ESG Program grant applications that are submitted after that date and time will not be accepted nor considered for funding.

Please note that ADECA's awarding of PY2026 ESG Grant Program funds to the selected grant applicants shall be predicated upon the federal PY2026 ESG Program funds being awarded to ADECA by the U.S. Department of Housing and Urban Development for expenditure beginning in Program Year 2026. If these funds are not awarded to ADECA, then ADECA reserves the right to not approve funding for any and/or all of the PY2026 ESG Program grant applications that are received by ADECA as of the July 1, 2026 submission deadline.

If you have any questions about the ESG Program, then please visit the ADECA CED Division's ESG Program webpage at the link https://adeca.alabama.gov/esg-application-resources/ and/or contact Dave Veatch at (334) 353-0288 or email him at Dave.veatch@adeca.alabama.gov so that he can address your questions.
