Key	CENST Activities	Regulation Citation
NS1	Supportive services activities that prevent, prepare for, and respond to coronavirus. Assistance accessing government benefits and services; mental health services; legal services; housing services; employment assistance; nutritional services, and homeless prevention services.	§ 58.35(b)(2)
NS2	Provide outpatient services, testing, diagnosis, or other services at a fixed or mobile location.	§ 58.35(b)(2)
NS3	Provide in-home services such as delivery of meals/groceries, medicine, supplies, housing cleaning to quarantined individuals or individuals that need to maintain social distancing due to medical vulnerabilities or are under shelter-in-place orders.	§ 58.35(b)(2)
NS4	Economic development activities such as those to avoid job loss caused by business closures related to social distancing and shelter-in-place orders, by providing short-term working capital assistance to small businesses to enable retention of jobs held by low- & moderate-income persons.	§ 58.35(b)(4)
NS5	Provide technical assistance, grants, loans, and other financial assistance to microenterprises for in-home services, food/medicine delivery, cleaning, and other services to support home health and quarantine without acquisition, construction, or rehabilitation.	§ 58.35(b)(2)
NS6	Provide equipment, supplies, and materials necessary to carry out a public service. For example, protective equipment for healthcare workers, patients, homeless people, and others, including telehealth equipment, personal protective equipment, and infection control measures (gloves, sanitizers, face mask/goggles, soap, hand/bath wipes), and temporary washing/shower stations.	§ 58.35(b)(3) & (4)
NS7	Operating costs including equipment, supplies and maintenance to clean and disinfect buildings, public spaces, units, spaces for quarantine and treatment of patients, training, and recruitment of staff on infectious disease prevention, proper sanitation and disinfecting procedures, provide staff with personal protective equipment and infection control measures, install a lockbox for rent payments to maintain social distancing. Purchase equipment such as beds/cots, privacy curtains, and other equipment for isolation/quarantine centers.	§ 58.35(b)(3)
NS8	Short-term payments for rent/mortgage/utility costs: to unsheltered and sheltered homeless individuals to obtain/maintain housing, those at risk of becoming homeless, individuals unemployed due to business closures as a result of coronavirus, persons living with HIV/AIDS or household members not living with HIV/AIDS, and to others who must self-isolate or quarantine, and to provide lodging at hotels, motels, or other locations.	§ 58.35(b)(2)
NS9	Provide assistance to communities to address the needs of low- and moderate-income students to access online classes where schools have been closed to prevent the spread of infection.	§ 58.35(b)(2)
NS10	Provide assistance to community food banks and mobile food pantry services to increase food inventory and provide pick-up/drive-up food services.	§ 58.35(b)(2)

Key	Imminent Threat Exemption Activities	Regulation Citation
IT1	Increase the capacity and availability of targeted health services for infectious disease response within existing health facilities.	§ 58.34(a)(10)
TI2	Providing water and setting up mobile or temporary water and sanitation stations to prevent the spread of infection.	§ 58.34(a)(10)
IT3	Provide grants or loans to support new businesses or business expansion to create jobs and manufacture medical supplies necessary to respond to infectious disease.	§ 58.34(a)(10)

CDBG-CV & ESG-CV TABLE OF ACTIVITES

IT4	Assistance for interim improvements to -residential properties to enable an individual patient to receive in-home treatment and remain quarantined on a temporary basis.	§ 58.34(a)(10)
IT5	Renovate, reconfigure, or expand healthcare facilities to serve increased number of patients and increase the number of available intensive care units.	§ 58.34(a)(10)
IT6	Renovate a community center or other existing buildings to establish an infectious disease treatment center.	§ 58.34(a)(10)
IT7	Improvements to motels or hotel buildings to expand the capacity of healthcare facilities to accommodate isolation of patients during recovery.	§ 58.34(a)(10)
IT8	Improvements to existing residential buildings, group living facilities, and homeless shelters, to prevent the spread of COVID-19 by providing a separate area to treat and quarantine residents.	§ 58.34(a)(10)
IT9	Set up temporary shelters; renovate motels, hotels, existing residential buildings, and community centers for homeless individuals to provide quarantine space to prevent the spread of infection and address overcrowding.	§ 58.34(a)(10)
IT10	Temporarily use vacant or underutilized land with only minimal ground disturbance or existing buildings to set up temporary hospitals, healthcare facilities, clinics, quarantine areas, or mortuary facilities, provide health checkpoints, and other services.	§ 58.34(a)(10)
IT11	Expand or repurpose food distribution facilities or other commercial facilities to prepare meals for delivery to quarantined individuals or individuals that need to maintain social distancing due to local requirements or medical vulnerabilities.	§ 58.34(a)(10)

Key	CEST Activities	Regulation Citation
C1	Acquisition and rehabilitation of existing multifamily residential buildings (5 or more units) if improvements are in place, do not involve a change in unit density of more than 20 percent, do not involve a change in land use from residential to non-residential, and the cost of rehabilitation is less than 75% of the replacement value after rehabilitation.	§ 58.35(a)(3)(ii), (5), & (6)
C2	Acquisition & renovation of existing healthcare facilities, commercial facilities, other non-residential buildings if improvements are in-place, without change in size or capacity by more than 20 percent, & there is no change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another.	§ 58.35(a)(3)(ii), (5), & (6)
C3	Acquisition or leasing of single-family units (up to 4 units on any one site) for use as quarantine facilities or patient care.	§ 58.35(a)(4)

Key	Environmental Assessment Activities	Regulation Citation
EA1	Acquisition OR Construction of a permanent testing and diagnosis, or treatment facility.	§ 58.36
EA2	Acquisition OR Construction of a group living facility for patients undergoing treatment.	§ 58.36
EA3	Acquisition and rehabilitation of a motel or hotel building to expand capacity of hospitals or community to accommodate isolation of patients.	§ 58.36
EA4	Acquisition and/or Construction of manufacturing facilities to provide medical supplies.	§ 58.36
