ADECA/LETS Title II Formula Grant Program

Confirmation of Background Checks

No covered individual may interact with any participating minor in the course of activities under this Title II Formula Grant unless a written determination has been made of the suitability of that individual to interact with participating minors, based on current and appropriate information. For more information, please see https://www.ojp.gov/funding/explore/interact-minors.

Please provide the names of each individual within your organization who is expected, or reasonably likely to interact with any participating minor. Please also indicate that each background check was completed for that individual and provide the date on which the check was performed. Indicate whether the individual was ultimately determined to be suitable and the date the final determination was made. Finally, upload the completed form to the Supplemental Information page of your grant.

Determination of suitability to interact with participating minors must be completed at least every five years. Each background check must have been completed no more than six months prior to the final determination of suitability. The subrecipient must retain the record of all background checks performed.

Award Condition. DETERMINATION OF SUITABILITY TO INTERACT WITH PARTICIPATING MINORS.

If any activities performed under this award are to benefit individuals under age 18, all subrecipients at any tier must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OJP web site at https://www.ojp.gov/funding/explore/interact-minors (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors) and are incorporated by reference here.
