Please include information about state legislative approval or other types of administrative approval (such as approval by a board or commission).  
[Narrative, 4000 characters]

The state allocates 95 percent of its CSBG funds to eligible entities. Prior to receiving the allocation letter, the grant agreements are prepared within 4 to 5 days and include all information except the Grant Budget Amount. When the allocation letter is received, the distribution is calculated for each entity. The amounts are then entered into the grant agreements and a cover letter is developed. This takes approximately 3 to 4 days. After this process, a governor's letter and agency director's letter are developed certifying conditional approval. The letters are forwarded for signatures from the governor and director, which takes approximately 7 to 10 days. Afterwards, a Letter of Condition Approval requesting budget, Beason-Hammon Certification, E-Verify MOU, Disclosure Statement, Signature Certification, and SAM.gov status, is developed for the entities. This takes approximately 1 to 2 days. Entities are given 10 days to provide documentation. During the 10 days the grant agreements are being routed electronically to the unit chief, division director, accounting section, audit section, and the legal section for compliance. Once completed, the grant agreements are printed for the agency director's signature. A summary for state legislators is prepared and once the agency director has signed the grant agreements the Communication and External Affairs Division finalizes summaries, prepares a press release, notifies state legislators of grant awards and assigns a release date. Once documents are received from the entities and after the release date, the signed grant agreements are mailed out to the entities for signatures.

Through linkages established within the service area individuals and families can be connected to an array of local programs and services to meet the needs of family members.

After receiving a Single Audit, Audit Section logs it in and puts it into a report folder for further review. We have a checklist to verify that the Single Audit meets 2 CFR 200 Uniform Guidance requirements. We review any findings to determine if further follow-up is required. We determine if an entity has reported all expenditures for an award or if they must send us a refund check. The Audit Manager will send a letter to an entity after the review of a Single Audit is completed to let them know if they must complete any additional actions. ADECA Division Chief also gets a copy of the letter.

## 15.2. Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

### ***Certification Regarding Drug-Free Workplace Requirements*** (Instructions for Certification)

- (1) By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
- (2) The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- (3) For grantees other than individuals, Alternate I applies.
- (4) For grantees who are individuals, Alternate II applies.
- (5) Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- (6) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- (7) If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
- (8) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

### ***Certification Regarding Drug-Free Workplace Requirements***

#### Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -
  - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
