Summary of Findings and Conclusions:

**STATUTORY CHECKLIST - COMPLIANCE WITH 24 CFR 58.5 LAWS AND AUTHORITIES:**

**Directions** - Record below the compliance or conformance determinations for each statute, executive order, or regulation. Provide credible, traceable, and supportive source documentation for each authority. Where applicable, complete the necessary reviews or consultations and obtain or note applicable permits or approvals. Document clearly and completely citations, dates/names/titles of contacts, and page references. Attach additional documentation as appropriate. Consult the guidance provided by the web site listed below and the **ADECA Environmental Review** website. Any compliance documentation should also be attached to the Checklist and included in the ERR. The responsible entity must also complete the **§58.6 Compliance Checklist** and include it in the ERR.
