None **Drought Region 9 which includes the counties of:** Baldwin and Mobile

Continued precipitation deficits along with low streamflows have led to rapid deterioration of conditions. Drought Regions 1, 2, 3, and 4 have been upgraded to the “Watch” category and Drought Regions 5, 6, 7, and 8 have been upgraded to the “Advisory” category. OWR will continue monitoring our water resources and update this Declaration as needed.

Water managers and public water system customers are encouraged to follow their local water system’s recommendations regarding water use. All water users should make prudent decisions on their water use to protect available resources.
