10. The Recipient certifies that it has submitted, within the one-year period preceding the awarding of the Grant Amount, its broadband service availability information to Alabama’s broadband mapping program, providing the requested data in the requested format. Further, the Recipient certifies that it will continue to participate in Alabama’s broadband mapping program throughout the entire Project period by providing accurate, complete, and timely responses to mapping data requests from the Department or its contractors.

<b>Certification</b>	
I, the undersigned, am authorized to obligate my entity and enter into agreements for my organization. I further understand that, if the information provided by my organization to the Department is materially false or my organization fails to comply with the Agreement or complete the Project within the Term, the Department may revoke this Agreement in its entirety in accordance with the Alabama Broadband Accessibility Act. To the best of my knowledge, all of the above certifications are true and correct.
